MS Karen then called Doctor Pathan and MS Karen stated the doctor ordered three injections. But staff are first to give a p.R.N. which was not offered. She was very violent and angry she then stuck me with three injection, and after the fact she said I threatened her I also talked to the man staff and he did not hear no threats. This lady had done this before she may have HIV because she really wanted to pock me. Iora2epam, Benztropine, and Haloperidol three needle injections on 10-18-15. I am also trying to send the money for the court fees but these staff are not trying to help me they also won't sign Mr Gary E. Bolton I can't wait to have my day in court. I am so tired of being shot and injected with needles. Bad drugs and also poison into my body. I feel sick and I do not feel the same, the same thing that was going on at Martin's hospital is going on here also it was in the computer that I was in a state hospital when this is my first time. That proves that this is all a set up and my safety is at risk being stuck in here. These doctors are stating this medication will help me think clear and they are also stating I am going to be here a long time because I won't take it. This is all wrong I was being set up on the streets and it is clear to see I am still red flagged in the system. The injection they put in me kills older people why was it put in me now my body feels different and my nose keeps running. I am very respectful to staff and for some reason all the female staff do not like me. The same things were going on on the streets people would threaten females by saying "stay away from him or else" so I had no friends. I have never killed anyone I have never tried to kill anyone and I have nothing to hide or lie about. On the streets I had a porn problem because I knew the people that hated me because of my yellow skin color would try and give me HIV. Then people tried to have me killed because I watched too much porn but everywhere I went I heard screaming sounds. Can you please get the 911 call records I made and also the video from the Valley 80 Bus station 5-2-15 because the driver got threaten and I got put in jail by Richmond P.D. And I believe the Captain or chief just retired. Someone payed to have me put in here.

Information Facts From Martine2 jail computer.

I also would like it to be Noted I payed for my medical records while I have been here and they also took money 1.10 and still no medical records. I also was logged into the system as being in a state hospital before I got here this is all a set up and it is clear and plan to see.

Please call me ASAP

Starting 11-3-15 I am also going to try and send 20⁰⁰ dollars each month to help pay for any court fees 707 255-9943
